BALLABROOIE, BANGALORE.

My dear Mirza,

When I raised recently the question of my being allowed to come onto the Provident Fund on the terms accorded to the members of the Electrical Department, you were good enough to say that you would write to me on the subject. I think, perhaps, it may assist you to have my request in concrete form, and I therefore enclose, for favour of your consideration, an official statement of my request with the grounds on which it is based.

Yours sincerely,

C J Goodnight

from becoming a subscriber to the Fund, I assumed that this would be amended at the close of what I understood to be a year of probation.

Far from this being the case, however, it appears to be the effect of the order now under reference to convert my appointment into one from year to year, one effect of which is to place in jeopardy any expenditure I may incur by way of settling myself on a permanent basis.

I venture to think in these circumstances that, in asking that I may be permitted to subscribe to the Provident Fund with effect from the commencement of my service, and that the State should add to my subscription the equivalent of 6¼ per cent of my salary, I am asking for what is a very modest measure of insurance against the uncertainties of my position and of provision for the future.

I have the honour to be,

Sir,

Your most obedient servant,

C. Goodwin

Private Secretary.

Dear Sir Charles Todhunter,

Your D.O. letter No.C.114 dated 18th Aug. 1927 and the official statement enclosed therewith in regard to your admission to the Provident Fund Scheme.

I have obtained His Highness' permission to extend to you the benefits of Provident fund on terms similar to those sanctioned for the employees of the Electrical Deptt. in G.O.No.E.D.S. 3992-96 dated 6th May 1926. At the same time ~~I wish to say~~ His Highness will also be pleased, with reference to the statement made in para 2 of your official letter, that to the best of my knowledge and recollection there was no understanding at the time of your entry into this service that you were to receive the same salary as ~~had been~~ was paid to Mr. Campbell.

with effect from the 10th July 1927.

Yours sincerely,

Dewan.

Sir,

I am directed to invite kind reference to the correspondence ending with your letter No.C/5473/814 dated 5th Septr. 1927 communicating the sanction of the Govt. of India to the continuance of the employment of Sir Charles Todhunter by the Mysore Govt. for another year from the 23rd July 1927 on the existing terms. As the appointment is purely temporary, His Highness' Govt. propose to give him the benefit of the Bonus and Provident Fund Scheme with effect from the 1st July 1927 on terms similar to those granted to the employees of the State Electrical Deptt. Under this scheme Sir Charles Todhunter will be allowed to subscribe 6¼ per cent of his salary every month to the State Provident Fund and an equal amount will be added by the Govt. as bonus. The total amount thus accruing to his credit with the accumulated interest thereon will be paid to Sir Charles Todhunter

on the termination of his services.

I am to request, ~~if necessary~~, that the sanction of the Govt. of India may be kindly obtained for the grant of the above concession to Sir Charles Todhunter.

Dear Mr. Madhava Rao,

Very many thanks for your d.o. letter No.3435/C.B.27-27-20 of the 30th November covering copy of the order admitting me to the Provident Fund with effect from Ist July last.

I hope the Government won't mind my asking if there would be any objection to a small change in the wording of the order, namely, to allow my contribution (as in other cases) to be any proportion of my salary up to 15⅝ per cent, leaving the Government contribution, of course, at 6¼. If this could be allowed, I should prefer to make my own contribution at the rate of 12½ per cent.

Yours sincerely,
